

# THE NEXT GENERATION OF SURGERY

Scar-free patient of Jonathan Arnd, MD  
daVinci Robotic Specialist

## ROBOTIC PRECISION WITH LITTLE TO NO SCARRING NOW AVAILABLE AT ST JOHN'S RIVERSIDE HOSPITAL.

The new da Vinci Robotic Surgical System at St John's Riverside Hospital's Minimally Invasive Center enables our physicians to:

- Provide another level of care to our patients with exact precision providing an extraordinary range of motion
- Require only one or more small incisions
- Result in scarless or near scarless surgeries
- Available for gallbladder, hernia, colon or most gynecological surgery

Visionary physicians providing the most advanced robotic technology combined with the unmatched care of a community hospital.

At St. John's Riverside Hospital, we are Community Strong.
