

THE NEXT GENERATION IN SURGEONS

Jonathan Arod, MD | da Vinci Robotic Specialist

SKILLED ROBOTIC PRECISION WITH LITTLE TO NO SCARRING NOW AVAILABLE AT ST JOHN'S RIVERSIDE HOSPITAL.

The new da Vinci Robotic Surgical Team at St John's Riverside Hospital's Minimally Invasive Center provides another level of care to our patients. The da Vinci robot's exact precision provides surgeons with an extraordinary range of motion and requires only one or more small incisions. Many procedures such as gallbladder, hernia, colon or gynecological are done with a single incision resulting in scarless results.

Visionary physicians providing the most advanced robotic technology combined with the unmatched care of a community hospital.

At St. John's Riverside Hospital, we are Community Strong.
