THE WESTCHESTER ORTHOPEDIC CENTER NOW INCLUDES ADVANCED SPINE & NEUROSURGEONS

The St. John’s Riverside Hospital Team of Advanced Spine and Neurosurgeons specialize in complex spine procedures that include an innovative approach to orthopedic care.

The Westchester Orthopedic Center in Dobbs Ferry utilizes a holistic approach including spine exams which are critical to a successful hip or knee joint replacement. This integrated approach has helped many patients achieve the “perfect fit” of their joint replacement and genuine relief of back related issues.

Advanced Spine Surgeons are making our Community Strong.
